Docket No. CHL-T104XC1
Serial No. 09/807,742Remarks

Claims 1-37 are pending in the application. Applicants submit this Supplemental Amendment in response to the Office Communication mailed August 27, 2003.

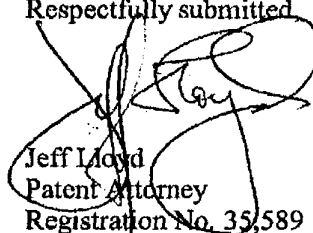

The Patent Office communication states, "The paper copy of the sequence listing and the computer readable form did not include the GVGVP sequence." The GVGVP sequence was included as SEQ ID NO:1 in the sequence listing as filed. The Feature data for SEQ ID NO:1 states, "This sequence may encompass 1-250 Gly Val Gly Val Pro repeats."

In view of the foregoing remarks and the amendments set forth above, the applicants believe that the currently pending claims are in condition for allowance, and such action is respectfully requested.

The Commissioner is hereby authorized to charge any fees under 37 CFR 1.16 or 1.17 as required by this paper to Deposit Account 19-0065.

Applicants invite the Examiner to call the undersigned if clarification is needed on any of this amendment, or if the Examiner believes that a telephone interview would expedite prosecution of the subject application to completion.

Respectfully submitted

Jeff Lloyd
